Members of WPA are invited to join us for a day-long, family-friendly event designed for learning, celebrating, and connecting with homeschool families from across Wisconsin and with WPA leadership. Our Member Event will include our annual membership meeting, a graduate recognition, information about what's new with WPA, fun activities for families, and opportunities to learn how to work together to keep homeschooling strong in Wisconsin.

- Childcare will not be provided. Children must be supervised at all times.
- A Family Activity Room will be available with child-friendly activities.
- The central lounge will have a WPA information table and seating for social time.
- There is outdoor space (weather permitting) with a sand volleyball court, horseshoe pits, and plenty of green space - bring your fun!
- A "Quiet Room" will also be available for those who need it.

Breakout Sessions

- **Working Together:** The history and future of WPA and how you can get involved, the role and responsibilities of support groups, and contacting your legislators.
- **Nuts and Bolts:** How to homeschool legally in Wisconsin, frequently asked questions, current homeschooling issues.
- **Homeschooling High School:** A panel discussion with homeschooling parents and teens about high school, transcripts, scholarships, and more.
